## About this role

---

The Victims Assistance Program (VAP) provides support to victims of reported or unreported crimes against the person in Victoria.

Victims Assistance Program (VAP) offers specialist responses to victims of crime including intake and brief intervention, case management, and community education. The care provided is evidence based, trauma-informed and person centred. All services are time limited.

The **aim** is to assist victims by providing an accessible service where victims are listened to, informed, and empowered in their pathway to recovery.

The **objectives** of the VAP are to:

- provide quality services that support the needs of victims so they can recover and thrive.
- assist and advocate on behalf of victims navigating the criminal justice system to enable victims to be informed and empowered and
- establish and maintain collaborative working relationships with key stakeholders to support the delivery of seamless and accessible services to victims of crime.

Available to all, prioritising the following groups:

Aboriginal victims, male victims of family violence, victims from culturally and linguistically diverse (CALD) backgrounds, LGBTIQ+ identified people, people living with a disability, people with mental health issues or mental illness, older people, children and young people, people who misuse or abuse substances (alcohol and/or drugs), isolated and/or rural people and people experiencing homelessness.

Operating from Orange Door sites, police stations, DPV Health sites and other out postings as required.

### Roles Key Accountabilities

Family Violence Practice Lead plays a pivotal role in contributing to developing the expertise and confidence of the VAP workforce as it pertains to family violence. This role provides expert practice advice utilising relevant theoretical frameworks. All Practice Leaders are expected to demonstrate, mentor, provide secondary consultation to work to build capability across all staff to work effectively with all clients.

- Capacity Building and Secondary Consultation

The primary function of the VAP FVPL is to provide best practice support to victims of family violence. To support the team and generalist VAP workers, it is expected that the VAP FVPL will engage in:

- upskilling and assisting VAP workers in supporting victims of family violence, in particular providing specialist support for male victims of family violence. The VAP FVPL is expected to align with the MARAM Practice Guides: Guidance for professionals working with adults using family violence available,
- conducting comprehensive risk assessments of victims of family violence

- having reference to the guidance and tools offered by the perpetrator risk assessment guide to re-assess clients who may have been misclassified as the affected family member when they are the predominant aggressor
- building capacity to support male victims of family violence. This includes increasing awareness of the complexities involved in assessing, managing risk, and providing therapeutic responses for different cohorts of male victims, noting the limited availability of services to respond to some of their specific needs
- Fostering and facilitating family violence practice innovation

Improve practice guidance in relation to:

- working with victims of family violence including male victims of Family Violence
- making or responding to information sharing requests under the Family Violence Information Sharing Scheme (FVISS) and the Child Information Sharing Scheme (CISS)
- supporting practitioners to engage effectively with those accessing services, identify and
- assess family violence risk, manage risk, and prioritise safety and provide effective services
- using Multi Agency Risk Assessment and Management (MARAM) practices and use MARAM tools
- secondary consultation for practitioners supporting victims of family violence
- Providing advice and guidance to practitioners in preparing applications for financial support (such as Flexible Support Packages), however it is not expected the VAP FVPL is solely responsible for this work.
  - non-collusion and to identify predominant aggressors, such as participation in the No to Violence: ‘Determining Predominant Aggressor in Family Violence’ training.
  - Understanding risks of family violence and supporting the development of understanding and response to family violence risks including the GLBTIQ + community, the Aboriginal community, and people with disabilities.
- Direct Client Support

The VAP FVPL is expected to work directly with VAP clients in accordance with the following guidelines:

- Allocation of clients to the VAP FVPL focuses on support for high-risk victims of family violence including male victims of Family violence.
- The VAP FVPL will be expected to use the Comprehensive MARAM Assessment Tools with clients, being the specialist family violence practitioner within the VAP service
- In recognition of the complexity of such cases and the other elements of the VAP FVPL role, it is expected that the VAP FVPL’s caseload would be 30% of VAP practitioners caseloads.
- Community and Stakeholder Engagement

### *Community Engagement*

The VAP FVPL will be expected to:

- develop initiatives that can help increase engagement with male victims of family violence.
- develop relationships with specialist agencies and other community providers (e.g., the local women’s family violence service, The Orange Door, housing providers, financial counsellors)
- investigate and source supports in the region for male victims of family violence where needs/gaps are identified

- support practitioners in following up external agencies who are also supporting VAP family violence clients (e.g., co-case management).

### *Stakeholder Engagement*

To further enhance the services provided to victims of family violence, the VAP FVPL will regularly engage with the Victims of Crime Helpline FVPL (VCH FVPL) and other FVPLs in the region. This will include:

- quarterly meetings with advanced practice leaders in the Orange Doors to share learnings/best practice including identifying the predominant aggressor and management of misidentification of perpetrators
- share learnings of engaging with local family violence providers/connections/referral pathways e.g., access to Flexible Support Packages, accommodation for male victims of family violence.

The VAP FVPL is also expected to:

- Assist practitioners to provide a closure report to the Victims of Crime Helpline for VAP clients referred via the L17 pathway (especially safety plans). The purpose of this is for the VCH Victim Support Officer who is assessing any subsequent L17s to have an understanding if the risk is escalating or being managed, in accordance with best practice
- Provide a point of contact for VAP FVISS and CISS Information Sharing requests, and coordinate responses with the relevant VAP practitioners
  - Provide information and advice to VSSR to support the broader family violence service system. Undertakes secondary consultations where applicable;
  - Maintain knowledge, skills, qualifications, accreditations and registrations through participation in professional development activities;
  - Carry out duties in a manner that does not adversely affect their own health and safety of others by reporting all incidents and injuries as well as cooperating with any measures introduced in the workplace to improve Work Health & Safety (WHS);
  - Comply and adhere to all relevant policies and procedures both DPV Health and DJCS
  - Undertake special projects or tasks as required; and
- Perform all other duties as directed, within the limits of skills, competence and training to maximise flexibility and effectiveness
  - A sensitivity to, and understanding of, the needs of clients from diverse backgrounds
  - Effective communication skills (verbal and written)
  - Competence in using information systems

### **Reporting, Systems and Analytics**

- Ensure the maintenance of comprehensive up-to-date and accurate client records (including assessment, case notes and health care plans) and always ensure safe custody and confidentiality.
- Continually participate in processes, including staff appraisals, service review, and service evaluations and monitoring.
- Sound demonstrable knowledge of MS Outlook, MS Office (including Word, Excel, PowerPoint) and Internet Explorer.

### **Financials, Budgets, Targets, Funding**

- Ensure that all financial transactions are undertaken in line with approved DPV Health policy and delegations
- Achieve targets / budgets for your function

### **Culture, Engagement, Diversity – People Experience**

- Demonstrates behaviours aligned with DPV Health Values and Code of Conduct
- Participate in regular supervision, annual work plans and annual performance reviews
- Actively participate in all required training, inductions, and development
- Actively participate in and attend organisationally required meetings in a positive constructive manner. Offering balanced views and seeking solutions
- Actively supports and demonstrates inclusive behaviour with a zero tolerance for any bullying, harassment, and inappropriate conduct

### **Health and Safety**

- Take reasonable care to ensure no risk of harm to self and others in the workplace. This includes immediately reporting any incidents, near miss, hazards and injuries.
- Comply with relevant Occupational Health and Safety laws, standards, safe work practices, policies and procedures and attend all safety initiatives, improvements & training.
- Demonstrate safe work behaviours and conducting work in accordance with our safety management system.

### **Risk Management and Compliance – Quality and Accreditation**

- Ensure documentation supports both quality and department standards
- Actively identify, monitor, and manage areas of key risk and lead appropriate escalation and response
- Actively monitor and improve the quality and safety of services
- Commitment to partnering with clients to facilitate effective engagement and participation
